

Scott County Natural Hazard Mitigation Plan-Five Year Update

Appendix B

The following resolution was adopted by the City of Benton on April 2nd, 2012  
Resolution No. 2012-01

**A RESOLUTION OF INTENT TO PARTICIPATE IN NATURAL HAZARD MITIGATION AND TO WORK TOWARD BECOMING A SAFER COMMUNITY.**

**WHEREAS**, the City of Benton recognizes that no community is immune from hazards whether it be tornado/severe thunderstorm, flood, severe winter weather, drought, heat wave, earthquake, dam failure or wildfire and recognizes the importance of enhancing its ability to withstand natural hazards as well as the importance of reducing the human suffering, property damage, interruption of public services and economic losses caused by those hazards; and

**WHEREAS**, the City of Benton has previously pursued measures such as building codes, fire codes, floodplain regulations, emergency management procedures to minimize the impact of natural hazards; and

**WHEREAS**, the Federal Emergency Management Agency and the State Emergency Management Agency have developed a natural hazard mitigation program that assist communities in their efforts to become Disaster-Resistant Communities which are sustainable communities after a natural disaster that focus, not just on disaster relief, but also on recovery and reconstruction that brings the community to at least pre-disaster conditions in an accelerated orderly and preplanned manner; and

**WHEREAS**, by participating in the Natural Hazards Mitigation program, the City of Benton will be eligible to apply for post-disaster mitigation funds; and

**WHEREAS**, the City of Benton desires to commit to working with government partners and community partners to implement the Natural Hazard Mitigation Plan; and

**WHEREAS**, the City of Benton will implement pertinent precepts of the mitigation plan by incorporation into other community plans and mechanisms where appropriate; and

**WHEREAS**, all aspects pertaining to the City of Benton in the Scott County Multi-Jurisdictional Hazard Mitigation Plan attached hereto and incorporated by reference herein be approved; and

**WHEREAS**, the City of Benton will participate in the evaluation and review of the Plan after a disaster as well as complete a mandated five-year update submitted to the State Emergency Management Agency and the Federal Emergency Management Agency for review and approval; and

**NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BENTON, MISSOURI AS FOLLOWS:** The City of Benton hereby adopts the Scott County Multi-Jurisdictional Natural Hazard Mitigation Plan attached hereto for the purpose of building a safer community by reducing natural hazard vulnerability.
